Administrative Theories and Management Thought

The administrative management theory is a stellar piece of work by worker turned entrepreneur Henri Fayol. His analysis of the work performed by managers in each industry revealed the following elementary facts that the core set of activities performed by managers quite often overlapped with each other and the common activities included:

What is Administrative Management Theory? Principles of ...

The administrative theory is strategic management-oriented. It is not suitable for another worker. The administrative theory is essential only to the formal organization structure, not for informal organization structure. Henri Fayol some concepts borrowed
