Friends of Eddie Coyle and The Digger's Game. In Cogan's Trade, Cogan is a hitman who targets the person responsible for a card-game heist. The person is identified through a second heist and pursued by Cogan, who works for an anonymous benefactor who also has a non-criminal role in society.

~~Cogan's Trade~~ — Wikipedia  
George Higgins wrote books in which the entirety of the plot seemed to take place through dialog. Cogan's Trade is another example. All dialog all the time. Great walls of it on each page. This works for Higgins

as for few others. Higgins was, along with Elmore Leonard, one of the greats at writing crisp, streetwise dialog.

~~Cogan's Trade by George V. Higgins — Goodreads~~

Cogan is a specialist in fixing this type of problem by a judicious application of violence. It is, in fact, his profession: Cogan's Trade, as it is styled in the original title of the 1974 novel by George V. Higgins (that has been turned into the motion picture, "Killing Them Softly," just released this month).

About Cogan's Trade A hard-hitting, tour-de force tale of the mob and the man who makes sure their rules are the only rules, by the American master of crime George V. Higgins. Jackie Cogan is an enforcer for the New England mob. When a high-stakes card game is heisted by unknown hoodlums, Cogan is called in to "handle" the problem.

~~Cogan's Trade (Coronet Books): Amazon.co.uk: Higgins ...~~

Cogan's Trade was one of George Higgins' earlier crime novels written in the 1970s. It is uniquely written in that the text is almost all dialogue. It is a story of Boston area Irish-American lowlife mobsters and their escapades. It concerns the gunpoint robbery of a mob-protected high stakes card game and the mayhem that ensues.
