Synopsis. During the 1930s Maria

Montessori became concerned

with the question of peace.

Taking as her starting point her

conviction that the child must be

our teacher, she moved on to

consider the problems of human

and social development. This text

is a collection of her speeches on

this subject.

Montessori Series [EBOOK]  
From the Clio Montessori Series  
Summary: "The Montessori  
Method is a scientific education  
based on a sound knowledge of  
childhood. In this volume, Dr  
Montessori examines the physical  
and mental development of the  
child in its early years and  
discusses what she considers to  
be the basic truths underlying the  
child's nature, growth, and  
development."
