Holistic Management A New Framework

Holistic Management is a newly revised and updated edition of Holistic Resource Management (Island Press, 1988), which was the first book-length treatment of Savory's decision-making framework and how it could be applied. A decade of trial-and-error implementation has strengthened and clarified the book's ideas, and has expanded the scope of the process to include all manner of decisions and management situations, not just those that relate to land and resource management.

Amazon.com: Holistic Management: A New Framework for ...

Creating such a framework has been the driving force in the development of Holistic Management, but as the next five chapters will show, we had much to learn before it took shape. Four key insights discovered over the last seventy years, when taken together, proved critical.
