Blu di Genova is a connection between the past and the present, the blue fabric of working clothes. First produced in Genoa, my home town, and then landed in America as blue jeans. It is the melancholy of the fight of art against reality, and it is my life lived on the road between my birth-town and America and the rest of the world. This collection features 14 rousing Beppe Gambetta flatpicking guitar solos from his CD of the same title. All solos are in notation and tablature. Also includes a special interview with Beppe and photos.
