Genesis 2:7 speaks of the first man, Adam, becoming a living person. Adam was made from the dust of the ground and given the breath of life from God. Every human being since that time shares the same characteristics. However, the last Adam or the "second Adam"—that is, Christ—is a life-giving Spirit.

Adam Slater's The Shadowing: Hunted blends modern day with ancient legends for a horrifying tale. The Hunter is coming, and it hungers for children's eyes. Callum Scott has always been able to see ghosts, but when visions of murdered children enter his nightmares, he realizes it is just the beginning. He's being hunted too.
