Insatiability is a sardonic and misanthropic novel with nary an attractive character, a cesspool of ideas in the form of Witkiewicz's extended rants and ramblings. Actual dialogue is minimal, and usually in the form of extended philosophical discussions, intellectual ramblings which bear little on the perverse passions which form the undercurrent of the interpersonal relations.

~~Fiction Book Review: Insatiability by Stanislaw Ignacy ...~~

Here is his massive major fiction in its first English translation—a two-part fantasy obsessed, as was Witkiewicz' theater work, with the Decline of the West. Written in 1927, it is highly experimental, a patchwork of straight-forward narration, stage-like dialogues, and more free-associative passages.
