Parts for

Amphibious ATV's,

Here's a chap restoring a 1973 Terra Jet on YouTube. This is a Kohler 399 cc, two-cycle, two-cylinder with 27 hp, that's a lot of power! But, you're driving all four wheels so it'll take a little more power to do that.

Download Free Terra Jet Parts

The seller also has this one listed on Craigslist for \$4,000 so I'm guessing that their reserve is around that price.

My buddy is trying

Download Free Terra Jet Parts

Manual
to resurrect an old Terra Jet and his last major hurdle is to remove the rear axle to change a worn bearing in the transmission. He has removed every set screw that he can find and has built special pullers but the shaft will not budge. I remember reading
