The Children Of Old Leech is an anthology of short stories written by a collection of different authors in tribute to one of my favorite authors, Laird Barron. I have a rule about not reading Laird Barron before going to bed, which is my favorite rule to break.

The Children of Old Leech: A Tribute to the Carnivorous ...

The Children of Old Leech is a fantastic anthology that plays with/pays homage to the man who is - for my money - the king of modern "weird" fiction. Laird Barron's work - over the course of three anthologies, one novella and one novel - has wormed its way into my heart and my brain more severely than any other writer of weird or phantasmagorical fiction.

So, those are my top picks in The Children of Old Leech, but really, there's not a dud in the bunch here. Each is a class in storytelling, every one is entertaining, and every other one is thought provoking. Lockhart and Steele have a winner on their hands, I think; this is one I'll keep

coming back to, much as I do with Laird's work. ...
