"Riya has always had a secret ambition-winning the coveted Miss Indian Beauty crown. It's Riya's chance to turn fantasy into reality. The Miss Indian Beauty contest could well be her ticket to instant fame and success. After all, she's good-looking, intelligent, confident and, most importantly, tall-how difficult could it be? But Riya is in for a dose of reality, as she soon finds herself in the company of twenty-two gorgeous girls, under house arrest in a five-star hotel in Mumbai for a rigorous training session that will test them all to their limits. With each girl's eyes set on the crown, the mood is emotionally charged and the atmosphere intense, exhilarating, vicious and explosive all at once. What Would You Do to Save the World? is a delightfully entertaining first novel which reveals the dust behind the diamonds, the tears behind the plastic smiles, and dishes the dirt on what really goes on behind the scenes of a beauty pageant."

"You will not sleep until you are finished with AGENT ZERO. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel." --Roberto Mattos, Books and Movie Reviews In this much-anticipated debut of an epic spy thriller series by #1 bestseller Jack Mars, readers are taken on an action thriller across Europe as presumed-CIA operative Kent Steele, hunted by terrorists, by the CIA, and by his own identity, must solve the mystery of who is after him, of the terrorists' pending target and of the beautiful woman he keeps seeing in his mind.
